Please can you provide the number of reported thefts of motorcycles and scooters in the police force area for the period 1st January – 31st December 2020.

As you have previously been unable to respond to this request can you please supply the raw data of thefts and vehicle type/model and we can filter out all none motorcycle thefts.

Response

Please find the attached an excel file outlining the data for motor thefts in 2020.

Please note this is a print off from the original summary and not the entire file. Extracting the occurrences for all the offences listed would most certainly hit s.12 excess costs.
