I write in connection with your request for information dated 17th March concerning deaths in custody as a result of police intervention.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered, and having consulted our professional standards team, I am happy to supply the information you have requested.

You wrote:

1. How many people have died in police custody in your specific jurisdiction and locality since January 1st 1990? (We are defining a death in custody as a death occurring during or directly resulting from contact with the police).
2. Are those individuals' ethnicities recorded and, if so, how many of them are recorded as non-white?
3. Of those individuals can you provide the names and any other details of those recorded as black? (We are defining black as those of African or Caribbean heritage including mixed race people of African or Caribbean heritage)

Response

Q1: None. (Based off your definition regarding police contact).

Q2: Yes and N/A.

Q3: N/A.

Note: There was a recorded death of an individual back in 2003 in Swindon (in custody), but the death was not as a result of police action. It was established that the likelihood of his death was a result of an infection which effected their airways whilst asleep in custody.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.pnn.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
