I write in connection with your request for information dated 29th March 2021 concerning Sexual harassment reports from schools.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

How many reports of sexual abuse or sexual harassment has the police force received from schools in each year since 2010?

If possible, please give the name of the school that reported the incident and a brief description of each of the reports e.g. male student touched female student inappropriately.

Please can you tell me what the outcome of these reports was i.e. whether the report was investigated, whether anyone was arrested or charged or received a warning.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. For each of these questions related to sexual abuse/harassment in schools, we currently do not have the capability within our systems to flag for any incidents of any sexual offences in schools which can then be analysed quickly and easily.

The ascertaining of this information would only be possible by physically reading every single report of a sexual offence during the years you are requesting to determine if these have taken place within a school. To understand the scope of what we would have to search I can confirm the total number of sexual offences for each of the requested years below:

Please note that the data starts from April 2015 this is now the earliest data we have.

Sexual Offences

INVESTOR IN PEOPLE

Reported.Year	Crimes
2015	983
2016	1443
2017	1700
2018	1718
2019	1522
2020	1445
2021	355

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Kerry Merritt
