Your ref: FOI

Our ref: FOI 2021 / 341

I write in connection with your request for information dated 12th April concerning COVID FPN's originating from Taxi firms.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

How many Covid FPNs were handed out following information from taxi drivers/companies between March 2020 - present?.

Our response:

The information you are requesting is not stored in a way that it is easily retrievable. The main issue is that in order to find out the reasonings for the Covid FPN, we would manually have to open the file to understand the cause of the fine, (as all details such as this will be held in the summary, as opposed to a mandatory field). This means that we would have to manually sift through over 800+ COVID FPN's, to obtain your data.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Under our 16 duty to help where we can, I would advise you to reduce the scope of your request. For example, How many Covid FPN's involved a taxi, between Jan 2021- Feb 2021? This is appropriate, as the question is targeted and will likely allow for time to engage with the request.

INVESTOR IN PEOPLE

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker
