Dear \*\*\*\*,

I write in connection with your request for information dated 07 May 2021 concerning Suspects under 10.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

**You wrote:**

For the 2019-20 financial year please state how many crime outcomes were concluded by your force because the age of the suspect was under 10, and so below the level of criminal responsibility.

For each of these crime outcomes please provide me with a table showing (i) the age of the suspect and (ii) the crime associated with that child, which was not pursued because of their young age.

**Our response:**

The information that you are requesting is not stored in a way which permits easy retrieval.

When a child under 10 is involved in an incident, due to the fact they are under the age of criminal responsibility, they are simply listed as 'Child < 10', they are not listed as 'Suspect'.

In order to obtain the information you are requesting, we would need to perform a manual search of every log within the time frame requested to identify the child's role in the incident. For context, for the 2019/20 financial year there were 1316 crimes and 4097 non-crime incidents at which a child < 10 was present.

INVESTOR IN PEOPLE

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

**Ellie James**
