Our ref: FOI 2021 / 304

I write in connection with your request for information dated 7th April concerning football related investigations.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

- How many reports have you received of football-related hate crime and/or malicious communications **online** since 1 January 2021? For the avoidance of doubt, I am looking for reports of abuse levelled at a footballer.
- How many active investigations do you have into football-related hate crime/malicious communications **online** as of today, 1st April 2021? For the avoidance of doubt, I am looking for investigations being carried out by your police force into, for example, abuse levelled at a footballer.
- How many arrests have been made by your police force in relation to football related hate crime/malicious communications **online** in the last 3 years (broken down by year: 2019, 2020 and so far in 2021)?

Our response:

The information you are requesting is not stored in a way that it is easily retrievable. The vast majority of the information you require (related specifically to football / footballers) is not held in a mandatory format, and is generally held within the summary of the occurrence. This means, we do not have capacity to instantly obtain this information, and thus the only other way of obtaining this data accurately, would be a manual search of all arrests & mal comm offences over the years specified.

INVESTOR IN PEOPLE

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Normally under s.16, we would advise you to change / remedy your wording so that we can provide you with as much information as we can. However, due to the nature of the question set, we are unfortunately unable to do so.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker
