Response

At this present time there has been no national guidance produced for recording Misogyny or Misandry as a hate crime, we are awaiting this before implementing any changes as we need to build it into our crime recording through a national group that all use the same crime recording system.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely
Francesca Smith

3. Review Procedure
