Dear,

I write in connection with your request for information dated 26th April 2021 concerning Gambling related crimes.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Team Performance Department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

- 1) How many **crimes recorded** during the period 1 January 2019 through to 31 December 2020 recorded the key word 'gambling'? Please provide for each instance:
 - a. The month and year the crime occurred
 - b. Alleged offence/reason for police attendance
 - c. Suspect/offender's gender
 - d. Suspect/offender's race
 - e. Suspect/offender's age
 - f. Outcome (e.g. charge and summons, caution, community resolution)

Response:**Question One**

Zero

Please note that to answer this question and gather the above information a 'wildcard' search was conducted on the following word "gambling". Wildcard searches bring back both unreliable and inaccurate data, as they only include summaries which have used the above word and do not include those that do not.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Lloyd Tilbury
