Our ref: FOI 2021/573

I write in connection with your request for information dated 5th July 2021 concerning crimes involving use of OnlyFans.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1/ A list of crimes involving use of OnlyFans, the content subscription service, reported since January 1st 2021 up until the date this response is answered. Please provide a breakdown of offence by date of the offence, type of crime (e.g. child sexual exploitation, sexual assault etc.), age of alleged victim, and a brief description of what occurred where known. Please also state if there has been a charge when known.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. Currently, Wiltshire Police do not have a specific tag for reports involving/mentioning OnlyFans which would enable us to retrieve accurate data.

In order to obtain the number of crimes involving the online platform OnlyFans for the time frame requested we would have to perform a manual search of thousands of crime reports to identify whether OnlyFans was mentioned.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

INVESTOR IN PEOPLE

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case. Without a specific tag for OnlyFans it would not be possible to perform a quick search, even if the time frame was reduced.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

3. Review Procedure
