Dear ****,

I write in connection with your request for information dated 19th July 2021 concerning Road traffic collision data from the A338.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and having consulted our Justice Traffic Department I am now able to respond as follows.

You wrote:

Can you please provide the numbers on a year by year basis of fatal road traffic collisions for the above mention stretch of the A338, namely, A338 between Tidworth and Burbage to include Collingbourne Ducis and Kingston between 2000 and 19/7/2021.

Our response:

There were 4 fatalities out of 128 incidents on this particular stretch of the A338 in our records. Please note that we are only able to search as far as back as 2003 as we don't have any records before then. In addition to this we are only able to search up to 31st December 2020, this is because we only currently hold stats up to the end of 2020 as the new stats have not been submitted onto our Justice Traffic systems due to vast workloads and having the staff capable to do this.

2006 – 1 fatal**2010 – 1 fatal****2019 – 1 fatal****2020 – 1 fatal**

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Kerry Merritt
