Dear ****,

I write in connection with your request for information dated 23 July 2021 concerning Digital Abuse of Teachers.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1. Please can you tell me the number of reported incidents under the three following crime categories:
 - Harassment
 - Stalking
 - Malicious Communication

That occurred on digital platforms, where the victim has been recorded as a teacher, and the incident was related to their occupation for each of the previous three financial years?

- a. If recorded, please can you provide a breakdown by whether the alleged perpetrator was a pupil, or, a parent.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. At current "occupation" is not a mandatory field when an incident is recorded on police systems. Therefore, In order to obtain the information you are requesting, we would need to do a manual perusal of every report of Harrassment, Stalking or Malicious Communication that occurred on a digital platform to identify whether the victim's occupation was recorded and if so whether they were a teacher. For a large portion of the reports it is likely that there would be no information held regarding their occupation.

INVESTOR IN PEOPLE

For context of how many reports this would include please see the attached spreadsheet which provides statistics on Digital Harrassment, Stalking and Malicious Communications for the years you have requested.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Ellie James
