Dear ****,

I write in connection with your request for information dated 19th November 2021 concerning Fake TikTok accounts targeting school staff.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

How many reports of fake TikTok accounts and videos targeting school staff have been received by the Wiltshire force?

Please could you break down the number of reports for the following months:

- September 2021
- October 2021
- November 2021

Please state how many of these reports have resulted in further action and what this action was.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. We currently do not have a tag for this type of offence. Although you would think that reports of this nature would be categorised under the crime group of Cyber-crime, the crime groups used to record these could in fact be varied and fall under many different crime groups.

INVESTOR IN PEOPLE

The ascertaining of this information would only be possible by physically reading under many different crime categories such as Cyber-crime, Hate crime, Antisocial behaviour, Harassment, Malicious Communications and more to assess every report during the 3 month period you are requesting to determine if any of these reports related to fake TikTok accounts and videos targeting school staff.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
