Dear \*\*\*\*,

I write in connection with your request for information dated 24<sup>th</sup> November 2021 concerning Assaults on Victims with Red/Ginger hair.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

**You wrote:**

- 1) The number of crimes reported - or incidents to which police were called - to your force relating to physical or verbal abuse of a victim due to having ginger or red hair in 2017, 2018, 2019, 2020, and in 2021 up to November 15;
- 2) The number of charges made by your police force following physical or verbal abuse of a victim due to having ginger or red hair in 2017, 2018, 2019, 2020, and in 2021 up to November 15.

Please provide the information in electronic format, in an excel spreadsheet.

**Our response:**

The information that you are requesting is not stored in a way which permits easy retrieval.

For each of these questions related to assaults on victims with red or ginger hair, we currently do not have the capability within our crime recording systems to flag for this information which can be analysed quickly and easily. The ascertaining of this information would only be possible by looking into every single crime group during the years you are requesting and manually reading each individual log to determine if the victim had red/ginger hair, even then the officer dealing with the report may not have this information recorded within the logs.

INVESTOR IN PEOPLE

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker
