Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. We are currently unable to identify offences for E-Scooters quickly or easily. In order to gather the requested information, we would need to review ALL different offences on an individual basis to see if an E-Scooter was involved or not. For the number of years this information is being asked for this would undoubtedly take in excess of 18 hours, this is because we would be required to review the offence type within 2 separate recording systems PentiP and Niche individually and then manually review each case to identify if an e-scooter was involved or not.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered and I apologise for the delay in answering your request.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
