Our ref: FOI 2022/003

I write in connection with your request for information dated 4th January 2022 concerning Dog Thefts.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

- i. What were the total number of dog theft crimes in 2021 (monthly breakdown if possible)?
- ii. What was the outcome (charge/summons, community resolution, active investigation, evidential difficulties, no suspect identified) for each dog theft crime in 2021?
- iii. How many dogs were listed with each dog theft crime in 2021?
- iv. If this question doesn't take us beyond the time required for free FOI feedback, can details about stolen dog breed, gender, age and location of theft (walk, home, garden, outside shop, from car etc) also be provided for 2021 please?

Our response:

The information you are requesting is not stored in a way that permits for easy retrieval. Wiltshire Police record each report of theft reported to them, including the theft of dogs. These may be recorded under 'Theft from the Person' or 'Other Theft' as there is no specific animal/dog flag. This means however that the information that you are requesting is not stored in a way which permits easy retrieval.

In order to obtain the information you are requesting, we would need to open each record of 'Theft from the Person' and 'Other Theft' for the period specified and identify whether it was a dog that was stolen. For context, in 2021 alone the reports in these categories is will into the thousands.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker
