Dear XXXXX,

I write in connection with your request for information dated 13<sup>th</sup> January 2022, concerning speeding tickets.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Justice Traffic department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

### You wrote:

The total number of speeding tickets handed out to drivers in your constabulary between 1st January 2021 to 1st January 2022.

This information should include the collated total number of fines for drivers of cars, HGVs, LCVs, Buses and Motorcycles that exceeded the outlined speeding limit.

### Our response

Please see below table. Please note:-

- Some cases may appear in both columns as if a FPN / TOR is not complied with within that system, then it will go into the Court (Niche) process. To confirm whether this is the case would require a manual review of all offences within the 12 month period requested, which would exceed the time obligations placed upon the authority to comply with this request.
- Additionally, if a case has not yet been input into the Court system, this will not be contained within the results returned.

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

### **2. How to Request a Review**

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit  
Wiltshire Police Headquarters,  
London Road, Devizes,  
Wiltshire,  
SN10 2DN

Email at [disclosure@wiltshire.police.uk](mailto:disclosure@wiltshire.police.uk).

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FOI request.

### **3. Review Procedure**

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

### **4. Conclusion of the Appeal**
