Our ref: FOI 2022 / 051

I write in connection with your request for information dated 14th January concerning synthetic drugs.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1. For the calendar years 2017, 2018, 2019, 2020, 2021 and 2022 to date, the total number of reported incidents referring to synthetic opioid abuse;
2. For the calendar years 2017, 2018, 2019, 2020, 2021 and 2022 to date, the total number of reported incidents referring to OxyContin/Oxycodone abuse, illegal dealing, and/or illegal prescriptions;

Can I have the data returned to me broken down by calendar year please.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. Wiltshire Police currently do not have the capability within our systems to immediately identify use or seizure of synthetic opioid abuse or incidents involving them. Our systems mandatorily determine 'drugs', however, the name, or whether the items were synthetic is down to the officer noting it down, if they deem it right to do so. Thus, in order to accurately obtain your requested information, we would have to manually sift through every single drug based occurrence from the timeframe specified.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

INVESTOR IN PEOPLE

Normally under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, in this case, we do not believe that is possible due to the circumstances surrounding this request.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
