Dear XXXXXX,

I write in connection with your request for information dated 20th January 2022 concerning Covid-19 vaccine.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

Can you provide any data regarding if /how many reports were received between January 2021 to December 2021 in relation to the COVID-19 vaccine and allegations it may be causing injury, harm and/or death.

And if any/how many of these reports have led the start of a criminal investigation.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval.

Reports made to Wiltshire Police are recorded on our STORM call log system. For the date period you require we received more than 101,000 individual calls of one type or another.

Reports that then become Crimes (or essentially investigations) are recorded on our NICHE crime recording system. Any reports of the Covid Vaccine causing injury, harm or death would most likely be recorded under the Crime Category of Violence Against The Person (VAP). For the date period you require we have recorded nearly 17,000 individual crimes of a VAP nature.

INVESTOR IN PEOPLE

Although we have tagging systems on both STORM and NICHE where we can tag the nature of the report or crime (eg Covid-related), the use of that tagging system is not mandatory and is often left unpopulated, especially if the initial nature of the report or crime cannot easily be determined. They are also not sophisticated enough to differentiate between the types of Covid issue (eg vaccine/injection, injury-related, breach of regulations and so).

Data based on the tagging flags within both STORM and NICHE is therefore not reliable and would not certainly not be used in order to publish data into the public domain.

The ascertaining of this information would only be possible by physically reading every of the 101,000 STORM logs and every one of the 17,000 NICHE crime records for the time period you require and checking to see if it meets your criteria or not.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Nick Penny

Email at disclosure@wiltshire.pnn.police.uk.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response.
