I write in connection with your request for information, dated 22nd February concerning aggressive driving stats.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the justice traffic department of Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply all the information you have requested.

You wrote:

For the calendar years 2019, 2020 and 2021 – could you please respond with:

The number of reported crimes which mentioned “road rage” in the MO field of the crime report and the detailed crime type.

The number of road traffic accidents recorded with a contributing factor of “aggressive driving” (code 601)

Response:

The information that you are requesting for the majority of your request is not stored in a way which permits easy retrieval. Non-injury ‘aggressive driving’ is not stored in a way which allows an instant extraction of data. In order to obtain this information, we would have to manually sift through all files to ascertain the causation factors.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Under our section 16 duty to provide advice and assistance, we have provided you with the rest of the information you have sought. Please see below a table outlining the injury related aggressive driving stats;-

Year	Number of Injury Collisions
2019 - Jan-Dec	52
2020 - Jan-Dec	29
2021 - Jan-Aug	35

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me, and been considered in the light of your request, within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:
Force Disclosure Manager
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.pnn.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Manager within 20 working days of the Force's response to the original Fol request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Manager will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
