Dear XXXXXX,

I write in connection with your request for information dated 16th March 2022 concerning women that have died by falling in suspicious or unexplained circumstances.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and – having consulted our Major Crimes Team - I am now able to respond as follows.

You wrote (and Our Response) :

Please could you confirm whether you hold information on the number of women who have died by falling in suspicious or unexplained circumstances since 01/01/2017 ?

We do hold this information

If so, please provide the number you hold.

We have had 1 report of a woman that has died by falling in suspicious or unexplained circumstances since 01/01/2017.

Please Note :

In the above incident, the subsequent post-mortem of the woman in question confirmed that she had ultimately died of natural causes related to an inherent medical condition.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Nick Penny

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.pnn.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following details:

Information Commissioner's Office
