Dear XXXXXX,

I write in connection with your request for information dated 4th October 2021 concerning motor racing on the highway.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and – having consulted our Justice Traffic Department - I am now able to respond as follows.

You wrote (and Our Response) :

1. The number of recorded offences in the force's area in the last two years (2019 and 2020) that fall under offence code MS50 (motor racing on the highway).

Wiltshire Police have recorded 5 offences in our Force Area that fall under the conviction code MS50 in the time period you require.

2. A month by month breakdown of when the above offences took place.

All of these offences related to a single incident that occurred in October 2019.

Please Note:

It needs to be noted that code MS50 is a conviction code rather than an offence code. The relevant offence code for Racing on a Highway is RT88465.

INVESTOR IN PEOPLE

If you were looking for all offences recorded for this 2-year time period (under offence code RT88465) rather than simply the number of convictions under conviction code MS50 then we would be unable to provide you with this information as it would be exempt under Section 12 (cost of compliance exceeds appropriate limit).

To locate the number of offences recorded under RT88465, it would entail us searching for and reading each offence of Dangerous or Careless Driving to see if it specifically related to "racing". Due to the number of offences involved, I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Nick Penny

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.pnn.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original Fol request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
