Our ref: FOI 2021 / 921

I write in connection with your request for information dated 5th November concerning burglaries.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply all the information you have requested.

You wrote:

A monthly breakdown of the number of burglaries from November 2020 - October 2021 -Details of items reported missing.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. Wiltshire Police currently do not have the capability within our systems to immediately identify items stolen from a burglary. The items taken would be recorded in the summary of our logs, and not stored in a mandatory category. This means the only way would be able to accurately obtain the information you have requested, would be to manually sift through all logs from these dates.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Normally under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, in this case, we do not believe that is possible due to the circumstances surrounding this request.

We have however provided you with the statistical data which we could obtain before the threshold for the exemption took over. Please find this below;-

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:
Force Disclosure Unit
Wiltshire Police Headquarters,

Email at disclosure@wiltshire.pnn.police.uk.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response.
