I wish to get information on the use of mobile fingerprinting by the Wiltshire Constabulary.

(1) Does the Wiltshire Constabulary use mobile fingerprinting service? If yes, for what period has it ran?

(2) If yes, how many times has it been employed? Please provide a breakup by year, starting from whenever it was first rolled to the present day

(3) Could you also provide a breakup of people on which it was employed by nationality, gender and visa status?

(4) Of the people on which the service was used, how many were subsequently arrested, detained and/or deported? And on what counts? Again, a breakup by year.

(5) I also need access to the latest privacy impact assessment for holding of this information
