Dear XXXXX,

I write in connection with your request for information dated 10<sup>th</sup> May 2022, concerning money allocation for LGBT+ / Trans community engagement.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Finance and People Standards and Support departments at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

### You wrote:

1. In each year from 2017 to 2021 how much money has been allocated to engagement with the LGBT+ community?
2. In each year from 2017 to 2021 how police money has been allocated to engagement with the trans community specifically?

### Our response

1. From 2020, each Network within our Force is allocated £5,000 per year to spend.

Please note: Prior to 2020, the funding was under one budget. ED&I was combined and everything came out of one budget, but now this is broken down more comprehensively so we can try and understand the spend within different networks.

2. N/A – funding is allocated to ED&I as a whole, not individually to each support group / community.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Abigail Standidge
