I write in connection with your request for information dated 9th June 2022 concerning incorrect disposal of cigarette butts.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

I would like to submit a freedom of information request. Could you please share with me information about the number of fines given in your area to drivers for 'incorrect disposal' of cigarette butts (e.g. throwing them out of the car window)?

How many of these fines have you issued in the past financial year (April 2021 - April 2022)

How much in total were these fines (for the same period of time).

Our response:

The information you are requesting is not stored in a way which permits for easy retrieval. You are requesting information about Summary Offences. Summary Offences do not have a specific crime classification and are recorded under an umbrella classification of 'NZ – other incident no crime'. All summary offences are grouped into this classification. Therefore, to retrieve the data you seek would involve manually checking every NZ incident during period you are requesting to ascertain whether cigarette butts were incorrectly disposed of.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

INVESTOR IN PEOPLE

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker
