Dear

I write in connection with your request for information dated 11/07/2022 concerning spiking by injection.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1. How many cases of spiking by injection were reported to your police force between September 2021 and July 2022?
2. How many of those cases have been confirmed by your police force to be cases of injection spiking (i.e. you have found evidence of injection spiking through a toxicology report or similar)?
3. Are any of those cases still awaiting toxicology results? If so, how many?

Response:

The type of information you require is not stored in a way which allows for easy retrieval. When recording a crime, Wiltshire Police do not have a specific field in which to indicate that the victim of an offence spiked via an injection. To ascertain whether they had been injected with a substance, we would need to manually peruse all relevant crime reports within the timeframe given. Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would be far

exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. Therefore the whole of the request falls under the exemption of section 12 of the Freedom of Information Act 2000.

Ordinarily under our Section 16 obligation to provide advice and assistance, we would advise you of a way to refine your request to a more manageable level. However, due to the difficulties in obtaining the requested information, as outlined above, I cannot think of a way in which this could be achieved.

Section 17 of the Freedom of Information Act 2000 requires Wiltshire Police, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies. In accordance with the Freedom of Information Act 2000 this letter acts as a Refusal Notice for those aspects of your request.

Exemptions applied:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Please contact me if you would like to discuss the withheld information.

Yours sincerely

Force Disclosure Decision Maker.
