I write in connection with your request for information dated 18th August 2022 concerning the number of child strip searches (under 18).

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

Please can you supply me with the number of child strip searches (under 18) between ethnic groups (white, black, asian, mixed race, and other) that occurred between 2017, 2018, 2019, 2020 and 2021 in your area

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. We currently do not have the capability within our systems to flag for this information which can then be analysed quickly and easily. Unfortunately, we cannot break down the data for under 18's to determine the ethnicity of the individual, the ascertaining of this information would only be possible by conducting a manual trawl through every individual's Custody record and manually extracting this data.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Although excess cost removes the forces' obligations under the Freedom of Information Act, as a gesture of goodwill I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not

affect our legal right to rely on the fees regulations for the remainder of your request. What I am able to provide you are the answers documented below :

Please note we only began extracting strip search data in 2016 and this was not completed during 2017.

Year	Adult	Juvenile (Under 18yrs)	White	BAME
2017	No data available	No data available	No data available	No data available
2018	554	51	476	129
2019	519	82	455	156
2020	405	85	365	125
2021	360	30	320	70
2022	178	14	159	31

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
