Our Ref FOI 2022/720

Dear XXXXX,

I write in connection with your request for information dated 9th September 2022, concerning tool theft.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

From 1st August 2021 – 1st August 2022, how many reported incidents of tool theft were there. We need data split by:

How the tools were stolen (e.g. van broken into) Month they were stolen Time they were stolen
Whether the case was resolved (e.g. arrest made)

Our response:

Section 1(1)(a) of the Freedom of Information Act 2000 (FOIA) requires Wiltshire Police to confirm or deny whether the requested information is held. To establish whether the information is held - namely reports of tool thefts - would in itself exceed the time obligations placed upon the authority to comply (18 hours) and therefore engages section 12(2). There is not a specific category relating to tool thefts, nor do we have the capability to individually list items which have been stolen in a way that makes this easily retrievable. Therefore, a manual review of each individual theft offence would need to be conducted to determine whether that report is relevant to your request,

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. Therefore the whole of the request should fall under the exemption of section 12

of the Freedom of Information Act 2000.

Please also note that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 obligation to provide advice and assistance we would advise you of a way to refine your request to a more manageable level. Due to the difficulties in obtaining the requested information, as outlined above, I cannot think of a way in which this could be achieved.

Section 17 of the Freedom of Information Act 2000 requires Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12 – Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Please contact me if you would like to discuss the withheld information.

Yours sincerely,

Abigail Standidge
