Dear ,

I write in connection with your request for information dated 13/06/2022 concerning terrorism related incidents.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

Please provide the following information for the financial years 2015 to 2021 (beginning 01 April 2015 ending 31 March 2022) broken down by year i.e. 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022:

How many people under the age of 18 are known to your force area for terrorism related activity?

Of those known for terrorism related activity, how many were referred by your force area as a First Responder to the National Referral Mechanism as potential victims of human trafficking and/or modern slavery?

How many people under the age of 18 were arrested by your force area for terrorism related offences?

Terrorism related activity means the activity described in Section 4 of the Terrorism Prevention and Investigation Measures Act 2011.

INVESTOR IN PEOPLE

Terrorism related offence means any an offence listed in Schedule A1 to the Sentencing Code (terrorism offences: England and Wales) or section 69 of the Sentencing Code or section 30 of the Counter-Terrorism Act 2008 (in the case of an offender sentenced in England and Wales before the Sentencing Code applied) or an act constituting an offence under the law in force in a country outside the United Kingdom that would have constituted an offence if it had been committed in England or subject to a TPIM notice (within the meaning given by section 2 of the Terrorism Prevention and Investigation Measures Act 2011 or subject to a temporary exclusion order imposed under section 2 of the Counter-Terrorism and Security Act 2015.

Response:

The type of information you require is not stored in a way which allows for easy retrieval. This is because the information requested in questions 1 and 2 is not centrally recorded and a full review of our intelligence system in relation to under 18s would be required to identify whether any relevant information is held. It is estimated this would take considerably longer than 18 hours to complete.

While a refined request omitting questions 1 and 2 would enable us to identify any information we may hold within the appropriate limit, I can advise that any information identified for question 3 would be subject to any applicable exemptions.. Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. Therefore the whole of the request falls under the exemption of section 12 of the Freedom of Information Act 2000.

Ordinarily under our Section 16 obligation to provide advice and assistance, we would advise you of a way to refine your request to a more manageable level. However, due to the difficulties in obtaining the requested information, as outlined above, I cannot think of a way in which this could be achieved, however I can advise that [annual Terror related statistical](#) data is are published online, albeit at a National level.

The [National Referral Mechanism also publishes statistical data](#) at a national level. However, the National Referral Mechanism is a framework for identifying and referring potential victims of modern slavery and does not include anything related to terrorism activity.

Section 17 of the Freedom of Information Act 2000 requires the Constabulary, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Please contact me if you would like to discuss the withheld information.

Yours sincerely
