I write in connection with your request for information dated 12th November 2022, concerning the number of Officers of Chinese ethnicity.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

As an FOI request, can you please tell me how many officers of Chinese ethnicity there are in the force, both as a stand alone number, and a percentage of the force in their specific roles.

Our response:

Please note: There is not a requirement for a Public Authority to create data to furnish a request for information, where this data is not already held. However, our Performance Team have calculated the percentages for this request, and they are noted below.

As of 31st October 2022 (the most recent data available), there were 2 individuals identified as Asian / Asian British – Chinese (approx. 0.2% of the Force).

Within specific roles : 2% for one individual, 7% for the other individual.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Proud to serve and protect our communities

Yours sincerely,

Abigail Standidge
