I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

1. For the months of November and December 2022 how many crimes were logged by your force where a machete was recorded as being an element in the offence? [Note: I would hope that this could be achieved by a computer search on the MO of crimes for the words "machete" or variants of the spelling to include "machette" and "machetes".
2. Please provide me with a table showing a breakdown of the crimes from Question 1 that are 'linked' to machete/s by its mention in the MO.
3. Taking the month of December 2022 please provide me with copies of the first 5 MOs that mention machetes. [Note: To avoid falling into an exemption I am content for names, ages, geography or any other personal detail to be redacted].
4. For the months of November and December 2022 how many crimes were logged by your force where acid was recorded as being an element in the offence? [Note: I would hope that this could be achieved by a computer search on the MO of crimes for the words "acid" or "acid-attack".
5. Please provide me with a table showing a breakdown of the crimes from Question 4 that are 'linked' to acid and acid attacks by its mention in the MO.

Requests for review of a Freedom of Information request must be made in writing to the:
