You wrote:

Recently I was told there was a crash at the Black Dog crossroads on the outskirts of West Lavington, near Devizes between two cars on December 17 and a Wiltshire Police Communications Officer confirmed this.

Would it be possible to get the statistics on how many crashes there have been at this crossroads in the last five years and how many have resulted in injury or death?

Our response:

Our Justice Traffic Team only hold accident information up to and including May 2022 – there is a current backlog in respect of processing and adding information to our systems due to a combination of the effects of the COVID Pandemic and resourcing issues within the Team.

Over the 5 year period from June 2017 to May 2022, these are the accident/collision statistics recorded for Black Dog Crossroads at West Lavington :-

Number of non-Injury RTA's	6
Number of Injury RTA's	7 (1 serious, 6 slight)
Number of Casualties	14 (1 serious, 13 slight)
