Our ref FOI 2023/035

Dear ****,

I write in connection with your request for information dated 9th January concerning Disclosure Requests made under Clare's Law (DVDS).

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by our DVDS Researcher at Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1) The total number of Disclosure Requests made under the Domestic Violence Disclosure Scheme (also known as "Clare's Law") during the period 1st January 2022 to 31st December 2022 inclusive by Gender, Age, & Ethnicity.

For your ease of reference, please provide the details for the "Person at Risk" i.e. the person for whom the enquiry has been made by directly and/or on behalf of.

2) During the period 1st January 2022 to 31st December 2022 inclusive, please provide the Gender of the person making the enquiry regarding their current partner and/or the person making the enquiry directly on behalf of the "Person at Risk".

Please provide your response(s) in Excel spread-sheet format.

Response:

The information you have requested is not stored in a manner which allows for easy retrieval. We currently do not have the capability within our systems to flag information on the gender, age or ethnicity of applicants/person at risk. Please note we received 662
Proud to serve and protect our communities

requests during the time frame request, the ascertaining of this information would only be possible by manually reading through all 662 applications to determine the gender, age or ethnicity of applicants/person at risk etc.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
