Ref: FOI 2023/048

Dear,

I write in connection with your request for information dated 11th January 2023 concerning officers/staff who have been arrested for breaching Orders.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1. How many officers/staff in your force have been arrested for breaching a non-molestation order (NMO) from January 2019 to the end of December 2022?
2. How many officers/staff in your force have been arrested for breaching a sexual harm prevention order (SHPO) from January 2019 to the end of December 2022?
3. How many officers/staff in your force have been arrested for breaching a stalking protection order from January 2019 to the end of December 2022?

Our response:

The information that you are requesting for the majority of your request is not stored in a way which permits easy retrieval. This is because there are no easily searchable headings regarding the above Orders you mention, that would allow us to retrieve this information accurately. As a result, the only way in which we would be able to determine how many officers/staff have been arrested for breaching these Orders, would be to manually interrogate our systems to see if we hold any relevant information for the time frame requested.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a

flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker
