I am looking at the number of dog attacks region wide in the past few years.

We have figures from Avon and Somerset which show an increase.

Would it be possible to get comparable figures for dangerous dog offences in the past four years from you please?

Our response:

The following two Home Office Crime Codes are those which relate to dangerous dog offences :-

- 88/21 Owner of a dog allowing it to be dangerously out of control in public place and cause injury
- 88/22 Dog causing injury in a private place

The crime volumes recorded against each of these two codes over the last 4 years

is as follows :-

2019	282
2020	293
2021	355
2022	395

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.
