**Our ref    FOI 2023/090**

Dear \*\*\*,

I write in connection with your request for information dated 18<sup>th</sup> January concerning police officers taking unauthorised photos of dead bodies.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Professional Standards Department at Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply you the requested information.

## Response:

The information you are requesting is not stored in a way that permits easy retrieval. We currently do not have the capability within our systems to flag information on police officers taking unauthorised photos of dead bodies which can then be analysed quickly and easily.

In the time period between 2015 and 2022 there were over 8000 complaints and conduct matters. The ascertaining of this information would only be possible by manually checking all 8000 complaints and conduct matters to determine if they relate to police officers taking unauthorised photos of dead bodies.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

**Force Disclosure Decision Maker**
