I write in connection with your request for information dated 9th February 2023 concerning mental health logs.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

1. How many people have been arrested whilst in a mental health crisis or people with mental ill health – people who are taken into custody who are given a warning marker of “suicidal” or “attempted suicide” on their arrest record or have these markers on their crime record as recorded suspects, or already have these warning markers on their crime record at the time of arrest – I’d like the figures for 1st January to 31st December 2019, 1st January to 31st December 2020, 1st January to 31st December 2021, 1st January to 31st December 2022?

Just to clarify, this is suicidal before police intervention, not a result of police intervention, but police intervention because of suicidal ideation, attempted suicide or mental health crisis. This data can include being arrested after being sectioned under the Mental Health Act.

2. Following this – how many of these arrests resulted in charges? I’d like the figures from 1st January to 31st December 2019, 1st January to 31st December 2020, 1st January to 31st December 2021, 1st January to 31st December 2022?
3. How many officer hours at your force have been spent assisting people whilst in a mental health crisis or people with mental ill health? I’d like the figures for 1st January to 31st December 2019, 1st January to 31st December 2020, 1st January to 31st December 2021, 1st January to 31st December 2022?

INVESTOR IN PEOPLE

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval. Wiltshire Police currently do not have the capability within our systems to immediately identify if a person is was suffering from a mental health related episode (as officers are not trained to assess at the scene). Additionally, we do not hold a list of person/s who have had a mental health tag or suicide tag which is easily accessible. Tags / assessments such as those are made by the custody team, where notes would be held on individual custody records. In order to accurately obtain the information you seek, we would have to manually go through every single custody log since Jan 1st 2019.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Normally under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, in this case, we do not believe that is possible due to the circumstances surrounding this request.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
