Ref: FOI 2023/330

Dear,

I write in connection with your request for information dated 15<sup>th</sup> March 2023 concerning mediums/psychics that have assisted with investigations.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

**You wrote:**

Please can you advise how many times your force has actively sought the help of medium(s) / psychic(s) to assist with investigations in relation to murder, missing person(s) or any other crime during the past

- 5 years
- 10 years

Please can you advise the number of medium(s) / psychic(s) that have contacted your force claiming they have information which may assist with your investigations in relation to murder, missing person(s) or any other crime during the past

- 5 years
- 10 years

**Our response:**

The information that you are requesting for question 2 is not stored in a way which permits easy retrieval. The only way in which we would be able to ascertain whether a medium/psychic has contacted us would be to manually trawl through every call log there has been within the last 10 years. This is because this information, if provided to us by the caller, would only be contained within the call log itself, and we would need to

physically peruse through each call log made within the time frame requested to firstly ascertain whether the caller informed us that they were a medium/psychic and secondly, we would need to go through the log to see if they caller claimed to have information which may assist us with an investigation. As you can imagine, there would be an incredible amount of call logs that would need to be trawled through that been made over the last 10 years and as a result, this would undoubtedly exceed the time frame we have to furnish your request within.

Therefore, under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Although excess cost removes the forces' obligations under the Freedom of Information Act, as a gesture of goodwill I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request. What I am able to provide you are the answers documented below –

- 1. Within the last 10 years, the force has not actively sought the assistance of mediums/psychics with regards to murder investigations.*

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12(2) – Exemption where cost of compliance exceeds appropriate limit

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Proud to serve and protect our communities
