Dear XXXXXX,

I write in connection with your request for information dated 5th April 2023 concerning caravan thefts.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence Unit at Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

Please also provide the number of thefts of items from caravans recorded in each individual month within that time period.

Response:

Whilst our crime recording system(s) are sophisticated and we have a number of designated fields in which we can record specific data related to a crime or incident and which we can then run automated searches on, we do not currently have any fields where we can designate the type of vehicle (eg caravan, motor home, and so on) that featured in a particular crime.

Thefts of Caravans would either be recorded under the crime categories of Theft of a Motor Vehicle or Any Other Theft. Thefts from a Caravan would likely be recorded under either Theft from a Motor Vehicle.

The ascertaining of the information you require would only be possible by manually reading every crime report for the above crime categories for the time period you require to determine if the thefts related specifically to a caravan.

For the time period you require, Wiltshire Police have recorded the following volumes of crime for those particular categories :-

Any other Theft	17,819 offences
Thefts from a Motor Vehicle	6,992 offences
Theft of a Motor Vehicle	2,689 offences

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Nick Penny
