Our ref: FOI 2023/477

I write in connection with your request for information dated 25th April 2023, concerning crimes using an e-bike or e-scooter.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence department at Wiltshire Police. Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1. How many reports of robbery, theft, attempted robbery and attempted theft, did you receive between 1/1/2022 - 31/12/2022 where the suspect was reported to be riding an E-bike or E-scooter?

1a. In how many of these incidents was a mobile phone taken or attempted to be taken?

1b. In how many of these incidents was a watch taken or attempted to be taken?

1c. Please provide a monthly breakdown of the incidents reported.

2. How many reports of robbery, theft, attempted robbery and attempted theft, did you receive between 1/1/2019 - 31/12/2019 where the suspect was reported to be riding an E-bike or E-scooter?

2a. In how many of these incidents was a mobile phone taken or attempted to be taken?

2b. In how many of these incidents was a watch taken or attempted to be taken?

2c. Please provide a monthly breakdown of the incidents reported.

I can confirm I would be happy for you to conduct a keyword search of the offences for 'e-bike', 'e-scooter', 'lime bike', 'lime scooter' in order to obtain this information as accurately as is possible.

I can confirm I would be happy for you to then conduct a keyword search of these offences for 'watch' and 'mobile phone' if necessary.

INVESTOR IN PEOPLE

Our response:

The information you are requesting is not stored in a way which permits for easy retrieval. Wiltshire Police do not have a specific flag that would enable us to identify crimes committed whilst riding an e-bike or e-scooter.

To obtain the requested information would require manually reviewing all theft and robbery occurrences between the time periods requested to establish whether an e-bike or e-scooter was used at the time of the crime.

As you have requested a keyword search, this has been completed and I can confirm that there is no information held in relation to the words searched upon. However, the keyword search is only able to be performed on the summary wording of the incident and not the full crime report, therefore it would not be considered an accurate search.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. Therefore the whole of the request should fall under the exemption of section 12 of the Freedom of Information Act 2000.

Please also note that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 obligation to provide advice and assistance we would advise you of a way to refine your request to a more manageable level. Due to the difficulties in obtaining the requested information, as outlined above, I cannot think of a way in which this could be achieved.

Section 17 of the Freedom of Information Act 2000 requires Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12 – Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Please contact me if you would like to discuss the withheld information.

Yours sincerely

Force Disclosure Decision Maker
