Dear XXXXXX,

I write in connection with your request for information dated 28th April 2023 concerning Non-Contact Sexual Offences.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and – having consulted our Business Performance Team - I am now able to respond as follows.

You wrote:

Please can you provide me with the following information:

- The total number of non-contact sexual offences reported to your force in 2021 and 2022.

Of these reports, please can you provide:

- The number of cases closed before an initial investigation.
- The number of cases closed after an initial investigation.

Following a request for clarification as to what you meant by “non-contact sexual offences” you confirmed you meant offences of Exposure and Voyeurism and asked that if we were unable to provide details about the number of cases closed before and after an initial investigation we simply provide the Outcome of the relevant offences recorded.

Our response:

The total number of Exposure and Voyeurism offences recorded by Wiltshire Police for 2021 and

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.pnn.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review.
