Dear ,

I write in connection with your request for information dated 26/05/2023 concerning police attendance at further education and 6th form colleges.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

I am writing to you under the Freedom of Information Act 2000 to request the following information from you.

1. The number of times police officers attended further education and sixth form colleges Wiltshire Police after a callout to them in the three years to the date of your reply. This should be broken down into the kind of institution that made the call (ie, a further education college etc), and what sort of conduct the call was referring to.
2. The number of occasions police made arrests in this time. This should include how many people were arrested on each occasion, and the most frequent reasons arrests were made (ie ranked in order of magnitude)
3. A breakdown of how many times your Wiltshire Police attended each further education college and sixth form college following a call from the public or the college in the last three years to the date of your reply.

Response:

The type of information you require is not stored in a way which allows for easy retrieval. When recording attendance, Wiltshire Police do not have a specific field in which to Proud to serve and protect our communities

indicate that the setting attended was specifically a further education or 6th form setting. To locate this information, we would need to manually peruse all relevant crime reports within the timeframe given. Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. Therefore the whole of the request falls under the exemption of section 12 of the Freedom of Information Act 2000.

Ordinarily under our Section 16 obligation to provide advice and assistance, we would advise you of a way to refine your request to a more manageable level. However, due to the difficulties in obtaining the requested information, as outlined above, the only way in which this could be achieved would be for you to provide us with specific settings that you are interested in, though results for this type of search could include attendance at non-educational settings (if postcodes were used for example).

Section 17 of the Freedom of Information Act 2000 requires the Constabulary, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

Please contact me if you would like to discuss the withheld information.

Yours sincerely
