Ref: FOI 2023/566

Dear,

I write in connection with your request for information dated 24/05/2023 concerning the numbers of deceased people found undiscovered in their homes.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

**You wrote:**

- How many cases have there been in the last five years in your policing area where people have been found dead in their homes where it is believed they have been undiscovered for more than two days? Please include the statistics for each year separately.
- How many cases have there been in the last five years in your policing area where people have been found dead in their homes where it is believed they have been undiscovered for more than five days? Please include the statistics for each year separately.
- How many cases have there been in the last five years in your policing area where people have been found dead in their homes where it is believed they have been undiscovered for more than ten days? Please include the statistics for each year separately.

**Our response:**

The information that you are requesting for the majority of your request is not stored in a way which permits easy retrieval. This is because we do not have a tag to easily search this information. To enable us to obtain this information accurately we'd have to physically go through all reports made for the timeframe requested. We would also not necessarily attend unless a crime has been committed.

Proud to serve and protect our communities

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. In order to do so, I would suggest you contact the Coroners Office, to see if they may hold this information.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
