**Our Ref** FOI 2023-723

Dear XXXXX,

I write in connection with your request for information dated 19<sup>th</sup> July 2023, concerning UFO reports / incidents.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

## **You wrote:**

Since January 1 2020, please disclose the logs for every incident involving unidentified flying object/unidentified aerial phenomena recorded by your force.

Also please disclose the logs that feature at least one of these search terms: 'UFO', 'Alien', 'UAP' and 'spaceship'

For each incident log, please disclose:

- \* The date and time the incident was reported.
- \* The general location it was recorded (I.E. the city/town/village)
- \* The incident log, exactly as it was recorded by the force, redacting any identifiable information which may otherwise prohibit disclosure. For example 'Male caller named (REDACTED) reports seeing four flashing lights hovering above his property in (REDACTED) street before a female was beamed into the sky'.

## **Our response:**

Using the search terms requested, there have been **zero** reports of unidentified flying object / unidentified aerial phenomena since 1<sup>st</sup> January 2020.

Keeping Wiltshire Safe

**Please note:** Key word searches may not be reliable as they only search for the terms in the summary (MO) field. If the term was mentioned within the body of an occurrence report, this would not be picked up in the results. The only way to provide a reliable figure would be to manually review every occurrence report since 1<sup>st</sup> January 2020, which would engage a s12 exemption (cost).

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Abigail Standidge

# Freedom of Information Request Appeals Procedure

## 1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

## 2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit  
Wiltshire Police Headquarters,  
London Road, Devizes,  
Wiltshire,  
SN10 2DN

Email at [disclosure@wiltshire.police.uk](mailto:disclosure@wiltshire.police.uk).

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original Fol request.

## 3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

## 4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
