Date: 20th July 2023

Ref: FOI 2023/659

I write in connection with your request for information dated 23rd June 2023 concerning the 'close pass' of a cyclist.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and after having consulted the traffic team – I am now able to respond as follows.

You wrote:

1. The number of video submissions made by members of the public in relation to the 'close pass' of a cyclist
2. The number of drivers prosecuted for the 'close pass' of a cyclist.
3. The number of fixed penalty notices issued to drivers for the 'close pass' of a cyclist.
4. The number of drivers referred for 'driver improvement courses' in relation to the 'close pass' of a cyclist.
5. The number of warning letters issues to drivers in relation to the 'close pass' of a cyclist

Our response:

The information that you are requesting is not stored in a way which allows for easy retrieval and Wiltshire Police does not have the search facility to automatically gather this data. To clarify, the only way to ascertain this information for the requested time periods would require manually searching and reading each and every road traffic incident (including road traffic collisions) individually to determine if they related to these questions. This would exceed the 18 hour work limit to locate, retrieve and extract the information, therefore Section 12 applies.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. Therefore the whole of the request should fall under the exemption of section 12 of the Freedom of Information Act 2000.

Ordinarily under our Section 16 obligation to provide advice and assistance, I would advise you of a way to refine your request. However, due to the difficulties as outlined above, I cannot think of a way in which this could be achieved.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,
Force Disclosure Decision Maker
