Reply contact name is:

Dear

I write in connection with your request for information dated 15/08/2023 concerning crimes reported including the word "Tinder" with victims aged U18.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence Team at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

I am writing a request for information to which I am entitled under the Freedom of Information Act 2000.

For all crimes reported between 2019 - 2022 that include the word "Tinder" (referring to the dating app only) AND whereby the alleged victim of the offence was under the age of 18, I would like to request whether any individuals were:

- a) charged (and if so, for what?)

Please provide information for the following years: 2019, 2020, 2021 and 2022.

Response

Between reported years 2019 – 2022, there have not been any charges for crimes whereby the alleged victim of the offence was under the age of 18.

Please note:

Proud to serve and protect our communities

As you may be aware, wildcard searches are not necessarily the most reliable way of searching for information. This is because the system searches for particular words within the summary of the incident and no further. Therefore, please do bear in mind that there may have been other incidences involving "Tinder" in some way, that might not have been mentioned in the summary of the occurrence but within the crime report itself, for example. And as a result of this, any other incidences involving "Tinder" would not have been picked up by our systems

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following details:

Information Commissioner's Office
