Dear ****,

I write in connection with your request for information dated 4th August concerning Theft of motor vehicles.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence Unit at Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

Please provide information on the total number of thefts of motor vehicles recorded between 1st January 2019 and 31st December 2019 (inclusive) and 1st January 2022 and 31st December 2022 (inclusive) in your force area.

Please also provide a breakdown of the number of thefts of motor vehicles split by make and model within both time periods.

Please also provide a breakdown of the number of thefts of motor vehicles split by the city/town they were stolen from within both time periods.

Response:

The information that you are requesting for the majority of your request is not stored in a way which permits easy retrieval. Whilst we are able to retrieve the number of vehicle thefts there have been that have been reported for the time frame requested, there is no tag within our systems that we can use to easily search on to locate and retrieve a vehicle's make, model, colour and value. This is because this type of detail will usually be contained within the crime

report itself and as a result, each report for the time frame requested would need to be manually perused in order to obtain the information you require.

Therefore, under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Although excess cost removes the forces' obligations under the Freedom of Information Act, as a gesture of goodwill I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request. What I am able to provide you are the answers documented below:

Reported Year	Offence Description	Crimes
2019	Totals	557
	Aggravated vehicle taking	36
	Theft or unauthorised taking of a motor vehicle	521
2022	Totals	542
	Aggravated vehicle taking	19
	Aggravated vehicle taking (driving/being carried) offences causing damage to vehicle and/or other property under £5000	13
	Theft of a motor vehicle	305
	Theft or unauthorised taking of a motor vehicle	159
	Unauthorised taking of a motor vehicle (does not include 'driving or being carried knowing motor vehicle has been taken...')	46

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely
