Ref: FOI 2023/986

I write in connection with your request for information dated 12th October 2023 concerning Stolen Electric Vehicle Charging Cables.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and after having consulted Performance Team – I am now able to respond as follows.

You wrote:

Stolen Electric Vehicle Charging Cables

Please would it be possible to acquire the following specifics;

- Total Number Stolen To Date
- Number Stolen Each Year (10 years worth, if possible?)
- The Location Where The Cable Was Stolen (City/Town/Village etc)

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval.

Wiltshire Police does not have a specific crime classification for Electric Vehicle Charging Cable thefts, and therefore these offences are recorded under the general code for 'theft'. Additionally, we do not currently have the capability within our systems to specifically record information which may otherwise enable easier searches for information. This includes recording the specific property stolen (i.e. cable), the details of which would be included within the crime report, victim / Officer statements, free text of the call log report etc.

To establish this information would require manually reviewing each occurrence recorded as 'Theft' within the requested period to determine whether the occurrence related to a stolen Electric Vehicle Charging Cable .

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,
Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
