Dear,

I write in connection with your request for information dated 23rd October 2023 concerning complaints submitted to our Professional Standards Department.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and after having consulted our Professional Standards Department – I am now able to respond as follows.

You wrote:

Under the Freedom of Information Act, for Wiltshire Police Professional Standards (PSD), for the last 6 months, please supply for each complaint submitted to PSD:

1. The date of the initial letter from PSD
2. The date PSD started actively investigating the complaint (i.e. it left the awaiting action queue)
3. The date PSD closed the complaint (i.e. date on outcome letter)

I would naturally expect you to assign some random name or number to the complaints in this list so as to protect personal data. With nothing to identify individual complaints then the start/active/end dates would be able to be released as they are just performance statistics of public interest.

Our response:

Please see the table below for more information. Please note, that unfortunately we are unable to break the data down into the sections you have requested as we do not record our investigations in this way. However, we have provided data for the last 6 months that

covers when the complaint case was recorded and/or finalized. Cases that are not yet closed have been marked as "LIVE".

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

Proud to serve and protect our communities

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review, they should contact the Information Commissioner to make an appeal.
