Our Ref FOI 2023-1062

Dear XXXXX,

I write in connection with your request for information dated 3rd November 2023, concerning "anglo arms" crimes.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

Please disclose the number of crimes committed in the force area over the last five years in which the words "anglo arms" appear.

Please break down results by crime type, date of offence and number of arrests (if possible without going over the time limit), age of suspects and (again ONLY if possible within the time limit) outcome - ie charge/caution

Our response:

Please note: The results for this request were obtained from a summary / MO field search of the term "anglo arms". These types of searches are considered unreliable as they only search the MO field of an occurrence report. Therefore, if the term "anglo arms" is contained within the main body of the occurrence report, this will not be returned in the results. Additionally, if the term is misspelt or a variation of the term has been used, this will not be returned within the results.

To provide an accurate response to your request would require manually searching each occurrence within the specified timeframe to determine whether it was relevant to your request. This would exceed the time obligations placed upon the authority to comply and would engage s12 FOIA, if this task were to be undertaken.

Please bear this in mind in relation to the following;

❖ There were no crimes returned in the results using the search term "anglo arms".

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Abigail Standidge

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original Fol request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
